2009 – 2010

**Managing Director, Chief Executive Officer**

Confida Graz Wirtschaftstreuhandgesellschaft m.b.H., Austria

Confida was founded in 1980 in Klagenfurt, Austria. It was a cooperation of tax experts and certified accountants in order to provide tax advising and auditing on the highest level. In my function as CEO I had the executive leadership of about 15 employees in the Graz office. In coordination with the other Confida companies, we worked on extending the business while holding the high standards.

2008 – 2009

**Head of Finance**

Asset One Immobilienentwicklungs AG, Austria

Asset One is a group of companies and was founded in 2005. It bought the real estates from the biggest Austrian brewery, which was taken over by Heineken some years before. More than 1.5 million m<sup>2</sup> were bought and sold piece by piece afterwards. The two main areas are both situated in Graz, Austria. The bigger one (called "Graz-Reininghaus") is now to be sold to the Community of Graz.

I improved the financial accounting and reporting for Asset One and worked closely with the board of directors and the banks, prepared the disposal of a real estate development project in Graz and assisted for a new business strategy and the search for a strategic partner.

2006 – 2008

**CFO**

Rosegg Spezialpappen GmbH, Austria

After the beginning of an insolvency procedure I started my work with Rosegg in 2006. I was responsible for a complete restructuring process in all parts of the company. Accounting, controlling and budgeting as well as treasury, personnel, legal topics, taxes, contact to banks and insurance companies also belonged to my business.

Furthermore, I was Director for the Waste Paper Division, in which collection and material recycling of waste paper with 15 employees and 4 vehicles had to be organized. The optimization of collection tours, the simplification of process work flows and the improvement of customers' satisfaction were also on my agenda.

The handling of the passed insolvency proceedings brought a lot of experience as well as the co-heading of the introduction process of a completely integrated data-processing program on the basis of MS-Navision. Finally, the spin-off and disposal of the Waste Paper Division was under my leadership and responsibility.

2006 – 2006

**Head of Group Controlling**

CEMEX AG, Austria (CEMEX Group)

My responsibility included the contact to the accounting department variance analysis group reporting on IFRS Basis (via SAP and Excel), participation in group meetings, securing of in-time-finishing of reports, quality assurance of reports as well as process optimization. In this job I also had the lead of several employees.

1998 – 2006

### **Senior Audit Manager**

KPMG Alpen-Treuhand GmbH, Austria

After some years as Assistant and Auditor in Charge I accompanied the function of a Senior Audit Manager. I was responsible for all relevant topics in the Audit work flow as budgeting, cost controlling, information of the partner in charge, lead of meetings, Audit Reports). Of course, the lead of employees was part of my duties.

The biggest client I was responsible for was a Company with several subsidiaries and a turnover of appr. 170 MEUR. For these companies I did the audit of the Annual Financial Statements as well as Special Audits. Numerous other clients had subsidiaries in CEE or other countries. My additional tasks during the audit were the audit of the internal control system, the data processing, and contracts. My clients worked in very different industries and had completely different topics to be discussed and to be solved.
